

CHUI AUTO SPRINGS INDUSTRIES LIMITED

QUALITY POLICY

Driven by our quality culture and passion to create value for our customers and other stakeholders, Chui Auto Springs Industries Limited is committed to the manufacture and distribution of quality automobile leaf springs and ancillary products.

In pursuit of this commitment, we have adopted a quality management system based on **ISO 9001:2015 International standard** and shall continually improve its effectiveness.

We shall further undertake to;

- **Build partnerships and mutually beneficial relationships with our customers, partners and other relevant interested parties.**
- **Comply with all applicable statutory and regulatory requirements.**
- **Ensure that quality objectives are established at relevant functions and levels within the organization, and are monitored, reviewed and updated as necessary.**
- **Ensure that this policy is understood and applied within our organization.**
- **Develop staff competencies and creativity, and providing resources needed for the establishment and improvement of our quality management system.**

This policy shall be reviewed by the top management during management review to ensure its continuing suitability and alignment with the strategic direction of the company.
